## **Additional information to the Special Purpose Consolidated Balance Sheet**

### ***General information***

This special purpose consolidated balance sheet N.V. Eneco Beheer (the "Company") has been prepared for the purpose of professional debt investors and/or professional counterparties in order to assist them in forming an opinion on the capital structure of the Company directly after the unbundling of Stedin Holding N.V. (previously known as Eneco Holding N.V.), the former parent of the Company, as per 31 January 2017.

For the preparation of the special purpose consolidated balance sheet of the Company management has applied the recognition, measurement and presentation criteria of International Financial Reporting Standards as adopted by the EU identical to those applied in the Annual Report 2016 of the Company. The comparative financial information as per 31 December 2016 has been derived from the audited financial statements 2016 as included in the Annual Report 2016 of the Company. For a copy of the audited Annual Report 2016 of the Company, reference is made to the website [www.enecogroup.com](http://www.enecogroup.com). The special purpose consolidated balance sheet of the Company as per 1 February 2017 has been audited and the independent auditor's report has been enclosed below.

### ***Disclosure main transactions January 2017***

The main transactions in January 2017 resulting from the unbundling and effecting the special purpose consolidated balance sheet as per 1 February 2017 are summarized below:

- I) the Company distributed a dividend of € 351 million to its (former) shareholder Stedin Holding N.V. This dividend has been deducted from the outstanding amount receivable due from the (former) shareholder; and
- II) the Company (as lender) entered into a financing agreement for loans on arm's length terms for a total of € 200 million with its (former) shareholder Stedin Holding N.V.

The aforementioned transactions are disclosed in the financial statements 2016 of the Company in note 34 'Events after the reporting date'.

All other movements in the figures as per 1 February 2017 compared to 31 December 2016 result from regular business operations.
